Dear Exhibitor,

The following items are included in the PLMA's exhibit rate:

- White wall elements separating you from the neighbouring stands
- White fascia board with your stand number and company name in a black print
- Standard grey carpet tiles
- Early-morning stand cleaning on both show days

To upgrade your basic PLMA shell scheme stand and strengthen your company, product or brand presentation, Gielissen has created beautification packages specifically for PLMA exhibitors. The packages contain items such as furniture, printed fabrics, raised flooring, electricity and spotlights, shelves and graphics.

There are several packages to choose from, to support you as a complete one-stop shop making your preparations as easy as possible.

**Please note until April 3, 2024 you benefit from an additional discount as an early-bird registration.
After April 3, 2024 the prices will go up with 15%. All prices are excluding VAT.**

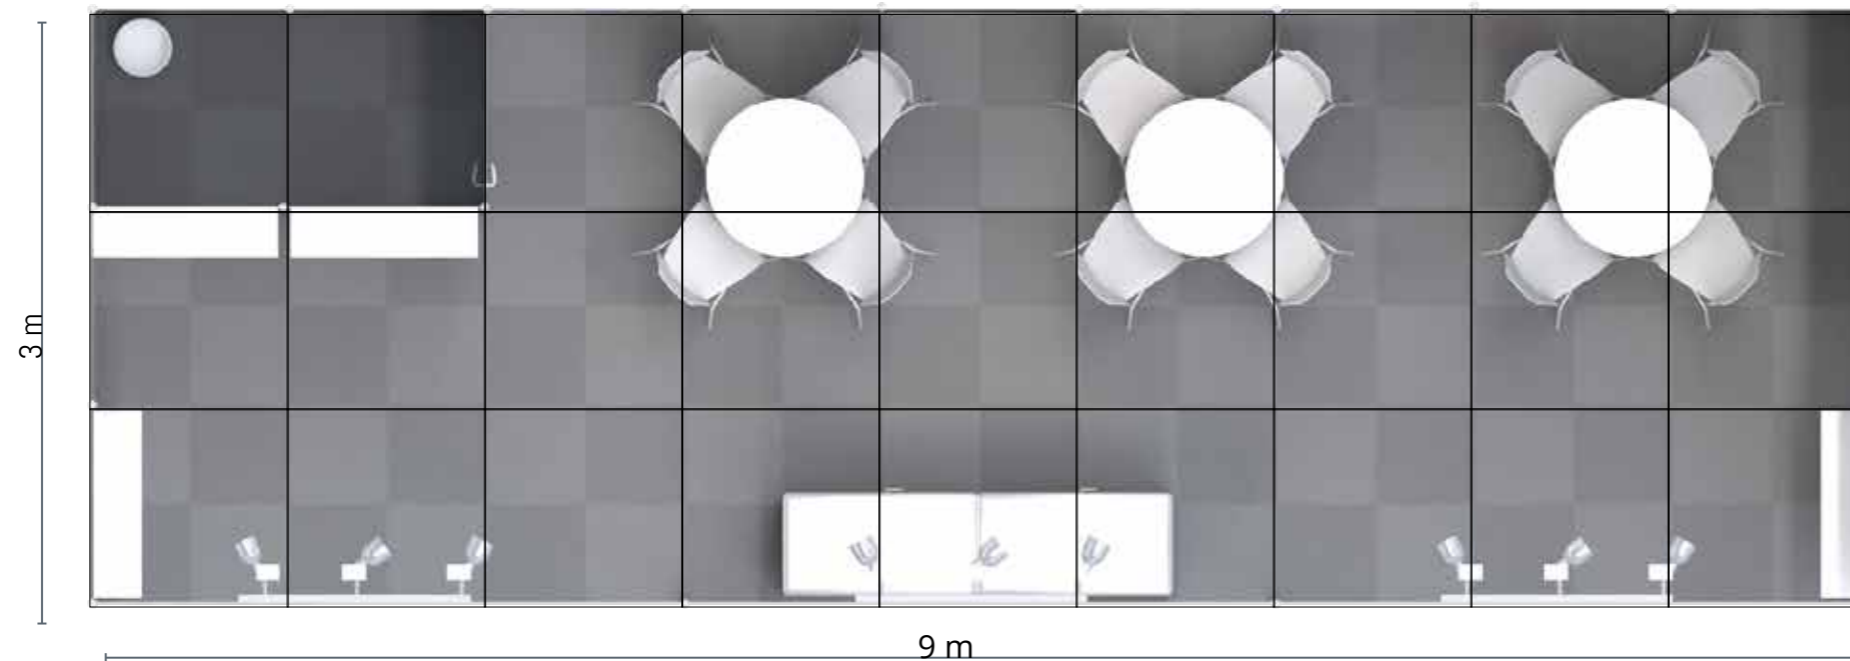

You can order your 3 or 4 unit stand via our online Contractor Services Manual that will open at the end of February. If you have any questions please contact our PLMA exhibition team via the contact details below.

**Can't find a design that matches with your wishes?
We can create a custom stand design focussed on your brand, some of these examples you can find on page 20.**
